

Product Info & Prices

Our Matcha and green tea products come from Nishio, Aichi Prefecture, No.1 city of Matcha production in Japan. With science demonstrating the nutritional benefits of Matcha and green tea in recent years, we are committed to provide our customers with the freshest quality Matcha for the best price. In fact, the finished Matcha is packaged for shipping the exact same day.

About Our Products:
{rawcontent 29}

Matcha Our Matcha has four grades, and 001 (Green Heaven) and 002 (Zen Buddhism) are often used for preparing thick, pasty Matcha espresso called "Koi-cha"; 003 (Tea Temple) and 004 (Sado Traditional) are ceremonial grade Matcha.

Tencha (Matcha Flakes) Matcha ingredient - the picked tealeaves are steamed, dried and cut into small pieces, and then they are refined. The resulting pure tea flakes are called "Tencha". Tencha is ground by stone grind mills and becomes Matcha. Tencha flakes can be taken as a part of your healthy diet, i.e. enjoyed as an ingredient for cooking.
